[Follow](#)

Most people on ResearchGate follow about 17 researchers.

Why follow people?

Following is how you:

- Build your network
- Create exposure for your research
- Get updates on other people's work.

Once confirmed, you will be directed to the page and receive suggestions for contacts that you may know

What project are you working on right now?

Add your current project and we'll find the right audience to follow your research.
